

**THE FINANCIAL STATEMENT AND
SUPPLEMENTAL INFORMATION OF
SIERRA COLLEGE FACULTY ASSOCIATION
FOR THE YEAR ENDED
AUGUST 31, 2013**

INDEPENDENT AUDITORS' REPORT

To the Executive Board
Sierra College Faculty Association

We have audited the accompanying financial statement of **Sierra College Faculty Association** (a nonprofit organization), which comprise the statement of cash receipts and disbursements for the year ended August 31, 2013, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash receipts and disbursements basis of accounting as described in Note 2; this includes determining that the cash receipts and disbursement basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of cash receipts and disbursements is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of cash receipts and disbursements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the statement of cash receipts and disbursements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of cash receipts and disbursements referred to above presents fairly, in all material respects, the cash receipts and disbursements of **Sierra College Faculty Association** for the year ended August 31, 2013, on the basis of accounting described in Note 2.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The supplemental information is presented for purposes of additional analysis and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statement as a whole.

Basis of Accounting

We draw attention to Note 2 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

SIERRA COLLEGE FACULTY ASSOCIATION

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2013

NOTE 1 - ORGANIZATION AND TAX STATUS

Sierra College Faculty Association is a not-for-profit organization affiliated with the California Teachers Association (CTA) and the National Education Association (NEA). All dues are received from members through The General School Fund. The purpose of the Association is to promote and improve the working conditions of member teachers in the Sierra College faculty.

Sierra College Faculty Association is exempt from income taxes under Internal Revenue Code Section 501(c)(5) and corresponding California statute. The Association is subject to income taxes on any unrelated business income.

The Association's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending 2010, 2011, and 2012 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTANT POLICIES

Method of Accounting - The financial statements have been prepared using the cash receipts and disbursements basis of accounting. Revenue is recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. Net assets are classified as unrestricted, temporarily restricted or permanently restricted. Net assets are generally reported as unrestricted unless assets are received from donors with explicit stipulations that limit the use of the asset. The Association does not have any temporarily or permanently restricted net assets.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

NOTE 3 - FUNDING

The Association receives the majority of its revenue from member dues, which are unrestricted. In addition, CTA reimburses the Association for a portion of certain expenses, such as contract campaign expenses. Reimbursement generally occurs during the fiscal year after the expense is incurred.

NOTE 4 - CASH AND CASH EQUIVALENTS

The Association considers bank deposits and certificates of deposit accounts to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value due to the short maturities of those financial instruments.

SIERRA COLLEGE FACULTY ASSOCIATION

NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2013

NOTE 5 - CONCENTRATION OF CREDIT RISK

The Organization maintains cash depository accounts with one financial institution. There was no cash that exceeded the maximum guarantee by the Federal Deposit Insurance Corporation (FDIC) of \$250,000 at August 31, 2013.

NOTE 6 - AGENCY FEES

The Association maintains an escrow account with CTA for the purpose of funding agency fee refunds to non-members. The amount of the deposit is determined based upon the number of non-members in the school district. Claims for agency fee refunds made by non-members are processed by CTA and paid out of the Association's CTA escrow account.

NOTE 7 - EVALUATION OF SUBSEQUENT EVENTS

The Association has evaluated subsequent events through November 5, 2013, the date which the financial statements were available to be issued.
